

THE PLACE FOR THE **PERFORMING ARTS**

Festival Place offers one of two styles of seating for each theatre event, either Cabaret Seating or Standard Seating. Review our Seating Plans in the following pages for more information.

Selecting a particular type of seating, within Cabaret or Standard Seating, provides no guarantee of availability of that seating type. If we are unable accommodate your request, you will be issued the next best available seating when your order is processed.

If you are requesting more than one ticket and if you wish to be seated next to your companion(s), one individual in your group must make a request for multiple tickets. Requests made by multiple individuals will not guarantee seating as a group.

CABARET SEATING

Most live music events at Festival Place feature Cabaret Seating. Since the majority of these shows are alcohol licenced events, there is restricted access for minors at these shows. There are three seating types that can be requested for Cabaret Seating events:

1. **Table** - Seven round tables, seating eight guests each, are placed directly in front of the stage. A candle and assorted snacks are placed on each linen-covered table.
Note: From time to time there may be an 8th table.
2. **Box** - There are 20 box seating areas, 10 on the main floor and 10 in the balcony. Each box has four chairs, a small table, a candle and assorted snacks.
3. **Theatre** - The balance of the seats are conventional theatre seats and are available in the balcony and on the main floor.

STANDARD SEATING

Standard Seating offers a theatre seating arrangement and box seats. Plays and children's performances are usually Standard Seating events. Patrons of all ages are welcome. There are two types of tickets that can be requested for Standard Seating performances:

1. **Adult** - Any person 13 years of age and older.
2. **Child** - Any person 12 years of age and younger. All children, regardless of age, require a ticket to the performances. The fire marshall requires that all individuals, including babies in arms, must have a ticket to performances.

Both styles of seating allow patrons to purchase and bring snacks and beverages into the theatre. Meals are available for purchase for some shows, as indicated by the 🍴 in the Show Times section. If you would like to purchase a meal option, in addition to the show, please contact the Festival Place Box Office at 780-449-3378 at least 48 hours before the date of the show.

The REALTOR® Café Series is 🍴 table seating (general admission) and is held in our banquet lounge. The Qualico Patio Series is table seating (general admission) and is held either on our patio or in our banquet areas, depending on the weather.

Thanks to the generous support of the Children's Ability Fund, assistive hearing devices are now available to our patrons.

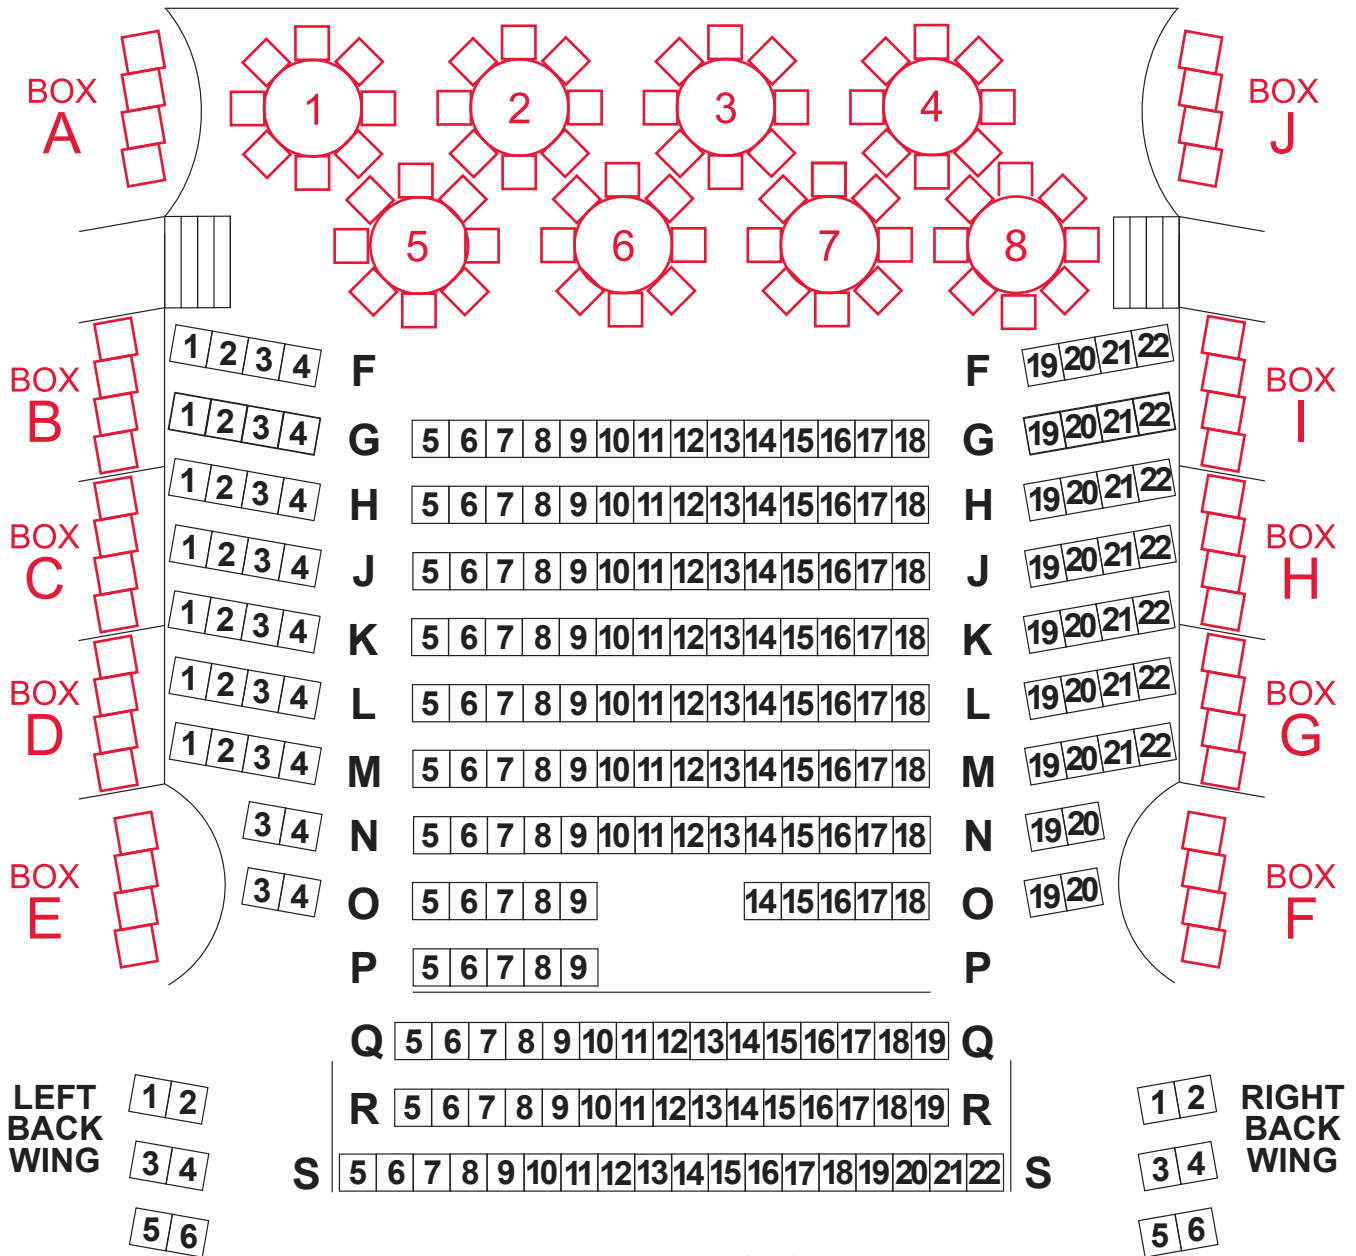

If you are unsure about the seating options or have special requirements, please consult the Seating Plans or call our Ticket Agent at 780-449-3378.
